Designed to Unite

**Combining passion,
design and ethical
practices in sportswear.**

About Us

Belgravia Apparel delivers 30+ years industry experience in the implementation of large scale, complex uniform programs across the Corporate, Sportswear and Schoolwear sectors.

With offices in Australia, New Zealand and Dubai, we are specialists in custom end-to-end uniform solutions.

We're the preferred supplier of some of the biggest global brands for many reasons:

- Our team has the most experience, passion, and talent in the industry.
- Innovative in-house design, creating uniforms fit for purpose.
- Advanced online entitlement management systems
- Global distribution capability

Our Services

Design & Art

Our customers receive complimentary access to an experienced in-house design team, who pride themselves to take a basic concept and integrate into an exciting, cutting edge design solution.

Cut & Sew Garments

Extensive in-house style guides ensure consistency in sizing, fabric quality, colour and garment construction. Our cut & sew range adds to our existing customized sporting apparel available

Retail Store Operations

We maintain and operate numerous stores across the country to assist our partners with their uniform and apparel needs. This includes online stores in conjunction with physical stores.

Marketing Assistance

We are well equipped to assist sporting associations with a fully integrated social media and digital marketing strategy, including a general market communications program via a partnership with DMC Sport.

Account Management

We provide dedicated account management to ensure service excellence in project delivery, within budget and on time, every time.

Australian Manufacturing Facility

BA have recently invested & upgraded to a new state of the art local manufacturing facility based in Adelaide.

This facility has the capacity to produce 3,000 garments per week and enables us to deliver Australian made production on a quick turn-around time along with low minimums.

Our facility includes the latest in technology, equipment and Types, including a range of state of the art printers (including sublimation), presses, embroidery machines, sewing machines and heat transfers.

We recently received a South Australian Government grant for \$1,000,000 to further upgrade this site and increase our employees.

Our factory will be a New Balance compliant factory by the end of 2022 enabling us to meet rapid requirements for our professional teams .
